

## Original MedSurg™ Post-Op Shoe

The DARCO medical-surgical shoe is the shoe that started it all. Our Original MedSurg™ shoe was invented over 25 years ago and has since become known as the industry standard. Often referred to generically as “the DARCO shoe”, it is anything but generic and its long list of features and excellent quality make it one of the best values in the business.

Fits right or left foot

### The Benefits

- Metatarsal shank provides superior control of forefoot motion to ensure postoperative healing remains undisturbed.
- Reinforced padded heel grips the foot and reduces slippage
- Light wight, breathable mesh upper allows for proper ventilation and conforms to bony abnormalities.
- Extra long straps accommodate even the bulkiest dressings.

*Item sold as one (1) shoe.*
